TO AND FROM SCHOOL (Homestay)

Students aged 12 years and older normally walk (or get the bus) to and from school by themselves (or with their roommate) during the day. Most students live in the same areas around the school.

I allow my teenager to walk to and from school by themselves. Yes ☐ No ☐

After the evening activity: - if they live more than 10 minutes from school, we take them home by minibus.
- if they live *less than* 10 minutes from school, they walk home. Their host will tell us if they are home late.

You can book a daily transfer (£70 per week) to take them to and from school (day & evening) if you wish.

VISITING THE CENTRE OF BRIGHTON & HOVE

After afternoon activities, school supervision finishes for the afternoon. Students can stay at school to relax, go to their hosts or visit the centre of Brighton & Hove to go shopping or sightseeing. They are not allowed to the beach. Will you allow him/her some free time? All students must be back with their hosts for dinner at 1800.

☐ I am happy for my child to go to town without school **OR** ☐ I do not allow my child to go to town

TRIPS

Sometimes on trips, we allow students to have some free time for shopping in well-chosen areas or shops for one hour in small groups. Do you allow this?

☐ Yes, I give permission **OR** ☐ No, I do not.

Please note that if permission is *not given*, your child will always be accompanied by our staff.

NIGHTS AWAY

For 2022, I am afraid we can't allow students to travel away from Loxdale to visit friends or family at weekends. If you would like them to meet up with friends or family, please arrange this for the end of their course instead.
